

Experiment No: 11

The screenshot shows the GitHub repository settings for 'pwa_github_pages_deployment' by user 'Ajay-Deshmukh'. The 'Pages' tab is selected in the left sidebar. The main content area is titled 'GitHub Pages' and includes the following sections:

- General:** A message stating 'Your site is live at https://ajay-deshmukh.github.io/pwa_github_pages_deployment/' with a 'Visit site' button.
- Build and deployment:**
 - Source:** A dropdown menu set to 'Deploy from a branch'.
 - Branch:** A message stating 'Your GitHub Pages site is currently being built from the main branch.' with a 'Save' button and a dropdown menu set to 'main'.
- Custom domain:** A section for adding a custom domain.

The screenshot shows the homepage of the 'Testmate' website. The header is purple with the 'Testmate' logo on the left and navigation links (Home, About, Services, Contact, Sign in) on the right. The main content area features a large image of a hand typing on a laptop keyboard. Overlaid on this image is a dark gray box with the text 'Welcome to Testmate' and 'Your one-stop solution for Gate exam preparation'. Below this text is a blue button labeled 'Get Started'.
